Luna Sat RA

Luna Sat RA 2Z

Luna Sat B60

This diagram shows the parts required for step 6:

- Top Row:** Five long white pins with black rings at both ends.
- Middle Left:** Two small black components labeled "224".
- Bottom Left:** Four small black components, identical to those labeled "224".
- Middle Right Box:** A box containing two thin metal rods and one L-shaped metal bracket.
- Bottom Right Box:** A box containing six small black circular spacers arranged in two columns of three.
